

## Am I eligible for Head Start?

In order to qualify for Head Start, a potential client must meet the Federal Poverty Guidelines and live within our service area.

Children must be between the ages of three and five years old. Potential clients will be asked to provide other required information. If required the following is necessary:

1. If you are employed:
  - A. Check stub, or
  - B. W-2 form, or
  - C. Letter on official letterhead from your employer stating the days, hours, and wages per hour that you earn
2. Proof of any other form of income, such as:
  - A. TANF letter from DSS (if applicable)
  - B. SSI letter from the Department of Social Services (if applicable)
3. Verification of birth:
  - A. Birth certificate, or
  - B. Birth letter from the hospital
